Booking and Testing Process

Please fax this form to **Sleep and Breathing Specialist Centre** on 02 8937 0952 or e-mail to reception@sleepandbreathing.com.au. Patients will then be contacted by phone to arrange an appointment to be set-up with the testing equipment. Patients will attend a 30 minute appointment at the **Sleep and Breathing Specialist Centre** to be set-up with the testing equipment.

After the sleep study, the equipment is to be returned to the **Sleep and Breathing Specialist Centre**. The equipment will need to be returned between 8:30 am and 12 midday the next day so that it can be available for another patient the following night.

The sleep study will then be scored and reported over the next 7 to 10 days and the report sent to the referring doctor.

Billing

The cost of the sleep study is \$400 and payable at the time of the appointment. Eligible patients will receive a Medicare rebate after the sleep study has been reported.

Cancellation

If unable to attend a sleep study for any reason, call 02 8937 0948 as soon as possible to cancel and re-book the appointment. It is important to give at least 48 hours' notice or a late cancellation fee may apply.

Preparation on the day of the sleep study

- Hair is to be washed on the day of the sleep study. Hair oils, sprays, gels or conditioners should be removed prior to application of the testing equipment.
- Make-up should not be worn and nail polish should be removed.
- Eat and drink as normal prior to the sleep study.
